*SSVC Alumni News - Issue No. 136 — Spring 2023*

*From the Desk of the President*

Hello Alumni and Friends,

I hope everyone is doing well, and had a nice holiday season.

There isn't a lot going on at the moment other than planning for our upcoming events.

Thank you to everyone who came out to play Bingo on March 12 to support the Franklin County Special Olympics & the SSVc Alumni Association. It was a great turnout. Our reunion is planned for June 9, 10, & 11 at the American Legion. Friday night we are lucky enough to have Ben Mauger '73 and his MISSION IMPOSSIBLE Band to entertain us. I am looking forward to hearing them. The Josh Squared Band will be there Saturday night. Our annual picnic is July 29th at the Greene Township Park. Our annual Golf Tournament will be August 26. *Please note the tee time this year is 8 a.m. This is a change from previous years.* We will need volunteers for this event.

As you know we had to move out of the museum. All the items have been moved into the garages for storage. We hope to start moving into the school building in the spring. This will take a lot of work, and can use all the help we can get. We will let you know the dates we plan to move.

In order to continue sharing the history of Scotland with visitors to the School Building and to send the bi-annual newsletters, your donations in any amount are very much appreciated. *Thank you!*

Unfortunately Dave Portner '69 has to step down as Sergeant-at-Arms. I would like to give Dave and his wife Annette a HUGE thank you for ALL the great work they did in the museum.

In closing, I hope everyone stays safe & well. I hope to see many of you at our upcoming events.

Sincerely,

Ken Beck '74

President

## Alumni News—A Tribute...

### From Rod McCaughin '64

As what now would be considered "an old timer", I felt compelled to write this:

In 1955 I came to Scotland. Dumped there as I felt by my father, it took some time to get over that feeling. The years wore on and in a strange way it went from just a place to be, to a place I came to call home.

To this day I still refer to it as such. As the years progressed I learned many things, both in school and out, even though at the time I didn't realize it. No mother or father taught me, only teachers and others like CAP Heckler, whose wife was one of my school teachers, cottage matrons like Mrs. Phillips and men like Mr. McKenzie, Mr. Leshner, Mr. Sanders, Mr. Single, Mr. Shuler and others.

I wasn't on of those "goody" kids and a lot of what they said I thought went in one ear and out the other, I was wrong. I GRADUATED, in 1964. I've lived my life in many different places, and done many things and have had them talk to me in my head many times, saying things they told me way back when. Even the one who said as I was leaving on graduation day "Sorry, but I think that in 6 months, you will either be dead or in jail.

Fifty years later I returned to my HOME for the first time. Contrary to what Mrs. Kimmel say's later in this thread, yes, it was abandoned, the Scotland I knew was gone forever, buildings empty and in disrepair, all that remained were my memories. I was overcome with an intense feeling of loss.

SURPRISINGLY, I met Sally Sheaffer '65 working in the museum, she recognized me right away, I was shocked ! We had a nice visit talking about the old days. I walked the campus wherever I could and relived my years there in my mind. As evening approached I got back in my car to head back to Nevada, knowing I would never return.....Home now only exists in my mind.
