*SSVC Alumni News - Issue No. 131 — Spring 2020*

*From the Desk of the President*

Dear Alumni and Friends,

I hope this letter finds everyone doing well.

I would like to start with a Museum update. We are happy to say we have remodeled the restroom which I am sure will please everyone. With every improvement we do to the museum I want to say THANK YOU for all the donations you send. The Museum has come a long way, and this could not be done without your help. We are not done—still lots of things we would like (or need) to do. So any and all donations are greatly appreciated, along with any help you can give when we have museum work-days.

I am looking forward to our 2020 events. First is our Bingo event with Franklin County Special Olympics on April 11th. I hope you are able to make it. The reunion is June 12, 13, and 14. There will be a DJ on Friday night and the great band "Josh Squared" will be back on Saturday night. Anyone who saw them last year knows how good they are. I hope many of you can make it. Trust me we always have a great time, and it is great to see old friends and make some new ones—let's see what we can do to make this one of the greatest reunions ever. Another good time is our picnic. It is July 25th at the Greene Township Park. Our 17th annual Golf Tournament is August 29th. Last but not least is our Museum Open House & Homecoming Banquet on September 26th. Details on the events will be provided as we get closer to each one. Information about the reunion is included in this newsletter. Be sure to mark your calendars for all these great events! I hope you can make it to some if not all events.

In closing, I would again like to thank you for your kind donations and help throughout the year.

Sincerely,

Ken Beck '74  
President

**Wanda McKay Shoap '68** — Welcomed a new grandson—Wyatt Daniel Allen to their family.

I received a very lovely card today from the President of the Alumni of our beloved school. And "yes" knowing that you care and are sending your prayers helps more than you will ever know. I think of you all every time my knees buckle out from under me and I begin to doubt if I can keep going. The card is so much more than just paper and a verse it's love filled for every second of the hard time that may lie ahead. I think it's really harder for me as before I came to the school I used to have to tend to my elderly foster father. Rubbing his feet every single night with alcohol and massaging them to help relieve him of the terrible swelling from his knees to the end of his toes. All I remember while being required to do that was I hope I never have to do it again when I age. But that's not how things work in this world. We do things that take all we have and we comfort those who are in pain of all kinds. As hard as it can get we persevere the best we can only because of the love in our hearts and the solid long term love that we receive from those that know us best. God could not have given me a better family than I have in S.S.V.C. And you all are forever honored with respect and as much love as my heart can hold, forever. Thank you Ken Beck and all those who have held me and my family dear to their hearts.

**Carl "Pete" Patterson '69**—Granddaughter got married. Got to see great-grandson for the first time.

## Alumni News

**Kate Boyance Andrews '71**—While on Ancestry.com looking for information about my family I checked my ex-husband's Ancestry.com site to find information about his family for my grandchildren. My ex-husband, who didn't attend Scotland or live in PA, lived with his mother and stepfather all his life. While researching my family and that of my ex-husband's, I found in his stepmother's gallery of family documents a story of one man's life in photos. Several of the photos were of Scotland. Our home. The man, Francis Leo Hobart appears to have attended Scotland sometime in the 1920's and is an ancestor of my ex's stepmother. Small world given my ex-husband had no connection to Scotland or Pennsylvania. **Footnote:** For the record, I and my sister, **Michele Boyance Levy '70** have researched our family ancestry for 20 years. We have learned our family goes way back to the 1600's Virginia, some of the first settlers in America, and lived in Virginia and West Virginia.

**Sharon Glunt Vance '72** — Thank you all for your well wishes while I was ill. I appreciate all of them!

**Debra "Debbie" Schneider '73** —Still working in mental health as an RN—no plans to retire. Fixing up my house. My son Jordan just turned 30.

**Ben Mauger '73**—Hi SSSC brothers & sisters: I hope you are all doing well and enjoying life. I'm doing fine. I have a wonderful wife, 4 Children and 7 grand children that I enjoy hanging out with. Still blowing the horn (trumpet) too and playing some Jazz music. Simply put, life is good. Just wanted to say hello. So "hello". Wishing you all the best!

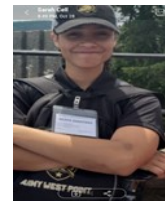

**Mark Albrecht '74**— Is almost back to "normal". I would like to thank everyone who sent me cards.

**Randy Bowers '75** — Thank you for all your cards, thoughts and prayers during my illness. I truly appreciate all of you.

**Bonnie Lowery Pendleton '76**—Let's give thanks to all our brothers and sisters of Scotland, and our angels in heaven including my brother James (Jimmy) Lowery '77. Love your sister Bonnie.

**Keith Edmonds '84**—In my senior year at SSSC the Superintendent was a retired Army LTC and West Point Graduate. Because of my good grades, participation in sports,

student government, and what I thought was a decent SAT score I went to the Superintendent's office one day and stated that I wanted to go to West Point. He sat back in his chair, thought for a second, leaned forward and said "I don't think that is a good idea for you." Because of the tremendous respect I had for him, I accepted what he said and reluctantly moved on...whatever bitterness I may have had over his decision is all gone now. One generation later, Captain Stine, a teacher at my daughter's school (Central Dauphin East High) and a West Point graduate contacted us and said he would like Livvy to apply to the Military Academy. He said her grades, her participation in student government and sports, and her excellent SAT scores make her a great candidate. He was her biggest advocate throughout the entire long process, culminating into her appointment last week. I am thankful for both officers, for had it not been for the SSSC Superintendent I may not have ever had such wonderful daughters like the ones I have...USMACLASSOF2024.

**Dennis Ero '88 & Lisa Beers Ero '89**—Our oldest Daughter recently completed Phase 1 of technical school with the Air Force. She has earned her NREMT Certification and will be a Medic stationed at McConnell AFB, KS. Our oldest Son recently completed his first deployment with the Air Force and was in Afghanistan. He is currently stationed at Little Rock AFB, AR working in Aircrew Flight Equipment. Lisa and I are "over the moon happy" and proud of our children. **We are proud of them also.**

**Melissa Flick Albaugh '97**— You may remember Melissa was promoted to the rank of Lieutenant Colonel in the United States Army on August 1, 2019. She has now been selected to attend the NATO Defense College in Rome, Italy. Unfortunately, due to health protection measures implemented as a result of the Novel Coronavirus the Army is precluding her deployment to the region. **CONGRATULATIONS MELISSA! We are so proud of you. THANK YOU FOR YOUR CONTINUED SERVICE TO OUR COUNTRY!**

**Taajudeen Cousin '2008**—currently serving in the US Army, and will be deployed to the middle east in June—not sure if it will be Afghanistan, Kuwait, or Egypt. Please be safe Taajudeen and **THANK YOU FOR YOUR SERVICE! We are so proud of you. Please stay safe!**

**Tribute to  
William Spencer '69  
From Shirley Pevarnick  
Died: 9/16/2019**

Bill made us laugh. He provided some light in an often dark journey for children separated from their families. He was our 69 class clown as well as being extremely creative in art and drama. I spoke with him around 6 years ago. He had some severe health problems so hadn't made it to our reunion, but he sounded like our old classmate and made me laugh one last time. Thank you Bill for being a good friend during our years at Scotland. I am so sorry for your passing.

Shirley Pevarnick

*Letter from Mrs. Mary Waldt, wife of Granville Waldt '41*

Dear Scotland School Alumni,

**There is a Hebrew proverb that says: "Say not in grief 'he is no more' but live in thankfulness that he was."**

*I am so thankful that God brought Granville into my life. He was a unique individual with God-given talents, abilities, and ingenuity. He had a hard life growing up as a child but he kept faith in God and worked hard at whatever he did. He loved helping others and befriended many through his warmth and compassion.*

*Granville was so adept at several trades. Everything he did was done to perfection. I attribute that to the training he received at Scotland School. He was so gifted that he could visualize a project and go about doing it without making a blueprint or drawing of any kind. He did measure but kept it in his head. The finished project would be plumb and perfect in dimension. Gran always added a creative touch to make his final product different from anyone else's.*

*I am so thankful that Granville brought me to Scotland School reunions. The first one I attended was the 50th anniversary of the class of 1941. When we arrived Gran drove around the campus giving me a guided tour while telling stories of the way it was when he was a student there. Roller skating, fire drills, Cottage 3, Mrs. Curry the school nurse who gave everyone a dose of castor oil regardless of the symptoms, Cap Heckler's paddle, big line, middle line, and little line, catching rabbits for dinner, plunging into the creek for a swim, and especially Lovey. He was very fond of working on the farm and making ice cream. I had such a wonderful and fun time at that reunion. The alumni I met that day became lifelong friends and family.*

*I am thankful for the SSVc Alumni for the love and support offered during this difficult time, especially through all the cards, prayers, and flowers I received. The Memorial Service at Yoder's was very nice and Granville would have been pleased to see so many of his Scotland Brothers and Sisters there.*

*When he first passed, I kind of thought he was up there in heaven looking for a screw driver to take the pearly gates apart, but Evelyn McElwain '68 thought he was up there making thunder bowling as he knocked down pins. Someone said, 'No, he's up there with other Scotland kids sharing stories of the good old days at Scotland.'*

**Love, God Bless, and Thank you for everything.**

Mary Waldt

## Calling all Families, THANK YOU, Memories!

### Calling all Families!

In an effort to learn more about our families who have attended SSVc, we would like to look at "Legacies" that have been created at our beloved School. Please tell us if you had a parent or other relative (e.g. aunt, uncle, grandmother, etc.) who also attended Scotland. You may also include siblings, if you would like. To the best of your knowledge, please list the family members name, the year started at Scotland & the year they graduated or left. We know a few legacies such as Gloria Robinson Waddell '62 and Clarkson "Buddy" Davis '60 (deceased) are the parents of Aron Davis '82. You don't have to have all the details, but it would be a huge help to have the basics. Please send your family legacy information or one that you know of to Vickie Portner Cook '73 your alumni secretary via email [GoCadets2015@comcast.net](mailto:GoCadets2015@comcast.net), Messenger (IM), or cell phone 717-698-8905. Thank you and stay close to your family, especially your Scotland family!

**Thank you** one and all for your cards/notes, gifts, visits & prayers for our alumni and friends on our *SICK CALL* list. Your thoughtfulness goes along way in lifting their spirits. There are several alumni in nursing homes please continue to keep them in your thoughts and prayers. If you would like to send them a card or a note please contact me for their addresses.
